Dear Frank,

STAT  
What a surprise and treat to hear from you. I've missed too many reunions in Amherst and haven't seen many of our old crowd for years. Bill Webster is the one exception, of course. I'd be delighted to have a visit in September when you are in town. It's difficult to know just what the schedule will be as I am constantly on call to testify before the Congress on the SALT Treaty. When your trip shapes up a bit why don't you give a call to Commander [redacted] and he'll work out a convenient time to come out to Langley and at least have an opportunity to chat if that would be okay with you.

Look forward to seeing you again. In meantime, all the best.

Yours,
